The screenshot displays the GNN Projects Help portal interface. On the left is a sidebar menu with options: Home, Academics (expanded), Academic Calendar, Paid Certificates (KPMG, SOAI), AMIGO, Mark Sheet, Seminar evaluation submission (highlighted), Major Project Submission, Semester Break Request, Course Structure Details, Virtual Lab, Academic Calendar Live Class, Book Dispatch Status, Amity Mail, Career Services, beSocial Community, Industry Certificates (Paid), and Refund Form. The main content area has a top navigation bar with 'Instruction', 'Project Work', and 'Viva Submission' (selected). Above this bar are four status cards: 'Project Summary Saved', 'Project Report Uploaded', 'Viva Voce Answered', and 'Project Work Submitted'. The 'Viva Submission' section contains five questions, each with a 5 Marks rating and a text input field. A red box with a red arrow pointing to the first question contains the following text:

Step 6: After submitting your project, five viva questions related to your project will be displayed. Enter the answers to all the questions and submit your project along with the viva responses.

Once you have submitted the viva answers, your project submission process is complete. No further action is required.

The questions are:

1. Describe your project work in brief?
2. [Blank question text]
3. What academic & professional skills you were able to utilize in this Project?
4. What are the future trends you see based on the theme that you have picked up in your project ?
5. What were the most interesting findings in your results?

The same steps apply to the Major Project. However, for the **Major Project**, the **Guide** section is mandatory.

In this section, you must upload the **Guide's Resume** and provide the following details:

- Guide's Name
- Designation
- Experience
- Qualification
